

The San Diego School of Ballet's purpose is to provide dancers with a center that offers quality instruction, and advanced classes in dance by caring professionals. We are concerned not only with teaching dance at the highest level but also with promoting self-esteem in our students.

Our school specializes in ballet, with a particular emphasis for children on future career training. We will of course welcome all students who take ballet for exercise, appreciation of the art, poise and grace, and especially those who just love to dance!

SDSB is a year round dance school with a Children, Adult and Pre-Professional Program. Students have opportunities to participate in the annual Nutcracker, Junior Company and Student Concerts. Many students have gone on to dance professionally with the New York City Ballet, Houston Ballet, Joffrey Ballet, Pennsylvania Ballet, Pacific Northwest Ballet, Lines, and others as well as receiving dance scholarships at universities across the nation.

San Diego School of Ballet will continue to bring the finest instructors in San Diego teaching on a regular basis as well as attract renowned guest artists to hold master classes.
